

2.5" Slim External Hard Disk Drive

Ultra high performance in a compact, lightweight and stylish design: The 2.5" Slim External Hard Disk Drive from Acer fits in perfectly with today's mobile essentials. This featherweight weighs only 165 grams yet offers a maximum of storage possibilities. It is powered through USB, so no bulky adapters that add weight and the protective pouch helps to protect against scratches when transporting. **Size and weight are no longer an excuse to leave your favorite files at home!**

Features & Benefits

- Small and Ultra Lightweight - This 2.5" Slim External Hard Disk Drive fits easily into a (hand) bag, weighs a mere 165 grams and is well protected thanks to its protective pouch.
- Plug & Play - Thanks to its USB 2.0 power/data cable and Plug & Play feature, no hassle with heavy adapters or long installations.
- All you need in one box - The 2.5" Slim External Hard Disk Drive comes standard with a protective pouch and a USB 2.0 power/data cable: all you need in one box!
